

## 2017 BCYC Skippers Meeting and BBY Van Dam Custom Boats Open House

Please join us for our 2017 Skippers Kickoff Meeting in conjunction with Boyne Boat Yard/Van Dam Custom Boats Open House. This event is open to all of our racers and crew, and also to all BCYC members, friends and the general public.

This is a great opportunity to get out and learn about our upcoming season, as well as have the opportunity to see and learn about all that BBY/Van Dam Custom Boats has to offer. Again, please be sure to get the word out to your crew members and please feel free to bring your friends.

BBY will be arranging Food, Beer and Wine provided by Ed and Christine Brehm of Boyne Country Provisions.

Also joining us is our friends from Quantum Sails to discuss this year's Fresh Water Cup. Also if you have any sails that might need work feel free to bring them in for an evaluation.

**When:** April 25th

**Time:** 6:00 PM

**Where:** Boyne Boat Yard (Same location as last year)
